

The **Health and Welfare** Sector Education and Training Authority (HWSETA) is responsible for the education, training and skills development requirements of the **health**, social development and veterinary sectors. Within these sectors, the HWSETA endeavours to achieve the following:

- Develop and implement the Sector Skills Plan
- Skills development planning, programmes and initiatives
- Monitoring of education and training
- Identification of workplaces for practical work experience
- Support and facilitate the development of the National Skills Development Strategy
- Disbursement of levies collected
- Forge links with all stakeholders and relevant bodies
- Account for the effective and efficient use of public monies in line with the provisions of the Public Finance Management Act
- Promotion of the employment of disabled persons

The HWSETA's mission is to create an integrated approach to the development and provision of appropriately skilled health and social development workers, to render quality services comparable to world class standards.
